

INTRODUCTION

This Handbook has been prepared as a reference source for the Members of the Prince Edward Island Teachers' Federation.

The Handbook is to remain in the school named on the inside of the binder.

From time to time, the Central Office of the Prince Edward Island Teachers' Federation will be sending material that is to be placed in the Handbook to the Board of Governors Members. It is the responsibility of the Board Member to keep the Handbook up-to-date.

Teachers should become aware of the contents of the Handbook as it contains information on the Prince Edward Island Teachers' Federation, Acts and Regulations that affect teachers, and the Memorandum of Agreement.

Teachers who have questions that are not answered by the information in the Handbook should contact Federation House.
