PEITF Communications and Group Insurance Survey

A reminder to teachers to take a few moments to complete the PEITF Communications and PEITF Group Insurance survey. Information collected from the survey will help direct the respective committees in their work in supporting members. Survey closes at end of day on June 6th, 2017.

In an attempt to ensure data validity, the survey is password protected. Each school Board of Governor has been given a unique list of passwords to be given out at random to PEITF members in your school. The survey link can be accessed on the PEITF website at this [link](#).
